**Stay Safe**

Hello Everyone,

We all sincerely hope that you are well and managing as best as you can in these unusual times. We have certainly missed the children and you.

Now is the time we have to look to make plans for September taking into account a lot of variables.

We may have to change some of our ways of working.

**So, first of all, we need to find out what sessions everyone would like.**

**I am aware, this year, that parent's needs may have changed. Can I ask that you all email me, to let me know your ideal sessions?**

**Please can you do this by Monday 6th July?**

I will send another email next Tuesday to let you know where we are up to.

With Very Kindest Regards,

Linda and The Team.
