

JB's and Earlybirds

for the children of Baines Endowed School, Thornton

July

Hello Everyone,

I'm lost, I have tried writing this newsletter so many times and the words just won't come. Please bear with me.

To say we are beyond upset with how things have turned out lately in the bubbles is an understatement. We realise the massive impact this is having on both the children and yourselves and wish it could be different. All of us are experiencing things we never have before and facing our own personal challenges, it is so difficult for everyone.

As a team we sincerely hope that September will bring us back to some sort of normality.

Goodbye Year 6

After a horrible eighteen months, this is not how Year 6 children would have wanted to leave Baines, it is such a terrible shame for them.

During our time together it has been lovely watching them grow and develop into the wonderful and unique young people they are. We have some great memories from over the years and it has been a pleasure to have shared this part of their lives with you.

Thank you

I would like to say thank you to the school staff who are always so supportive but even more than ever this year. To Mrs Finney who has steered us through troubled waters with steadfastness and kindness. To you for sharing your children with us and the marvellous cards and gifts, you shouldn't have but they are much appreciated.

And to all of "The Team", who in their individual ways have been so marvellous coping with the changes I continually thrust upon them!!

September

- Invoices will hopefully come out in August or at the beginning of September for September. This is due to the fact that we are still chasing people who have not paid! When making future payments, please ensure monies are taken out of the previous month's salary, ready to be received on the 1st of the month.
- Hopefully we will all be together in the dining hall.
- We will continue to use the Bay Horse gate for drop off and collection, this works better, in regards to safeguarding, with only one point of entrance/exit.

And finally

During the holidays, if you have any queries, email me and I will get back to you, though maybe not as quickly as usual!

With Kindest Regards,
Linda and The Team.
