for the children of Baines Endowed School, Thornton

September 2021 There will be more newsletters this month to keep you informed on progress.

Welcome back!

Hello Everyone,

We are so looking forward to seeing you all and hope we can soon get back to the "Good old days"! Please bear with us if we have to tweak a few things as we go along.

I would also like to say "Thank You" again to all of you who have been so supportive over the last eighteen months and appreciated the care we managed to provide under the circumstances. We realise that it has been very difficult for all of you in so many of ways.

Drop off/ pick up

We are going to continue using the Bay Horse gate only, this is better for safeguarding as we only have to monitor one gate.

From September, we will return to our original system of you signing your child in/out with the time of drop off or collection. When you come to drop off or collect, please sanitise your hands with the sanitiser provided before signing. Only one parent at a time to enter the building and please stay on the red mat. In good weather the sign in/out sheet may be outside on the table by the door. For the moment, please make your time in the club as brief as possible. As soon as we can, we will return to our original way of operating.

Bubbles are gone

Unless things change drastically, we are going to be all together, as we were, in the clubroom and using the KS2 outdoor area. We will continue to spend as much time as possible outside while the weather allows, to better protect us all.

Reception Class

We are pleased to say we have 14 EYFS children starting with us from 13th September, not all on the same days, of course. Having said that we will ask our older children to help with settling the children in by being as calm as they can whilst they are indoors, sounds do tend to echo around the room and it can be a bit loud when you are not used to it.

Places/Waiting List

At the time of writing there are places available on Monday at Earlybirds and Monday, Tuesday and Friday at JB's. The waiting list is in operation for all the other sessions.

And finally

If you think of anything that needs more clarification, have any queries or can think of ways we can improve, please email. I will get back to you within the day.

With Kindest Regards,
Linda and The Team.
