	18	19	20		

This chart should help you to make sense of the way we work out fees. Fees are paid only for the days school is in session (190 a year) and not for any half terms.

Fees are EBs £3.50 JBs £7.00

Examples:

If your child attends a.m and p.m, the cost is £10.50per day = £52.50 per week

a.m, £17.50 per week p.m, £35.00 per week.

Obviously, some of your children don't attend every session. I think using the calendar of days in school for the year, will help to make things clear.

Two weeks notice, or fees in lieu of notice is required when relinquishing a place, as per agreement signed by everyone.

Linda.
