

JB's and Earlybirds

for the children of Baines Endowed School, Thornton

May 2022

Hello Everyone,

It's lovely to see you all back after the Easter break. We really enjoy sharing what we get up to now you are able to come into the club and into the playground. I'd like to thank everyone for being so flexible with all our changes around drop off and collection. It's been difficult but you have made it bearable.

New starters

Looking forward to the next school year. Those of you who have children who will be coming to us in September, if you can make a little time from now onwards for your younger child to come into the club when you drop off or collect, they could have a little play and get used to us.

Survey

During this month we will be sending out our Parents survey, this should be an annual event but during covid, it was one of those things that we had to let slip. Please be honest with your views, the good and the bad, that way we know what we do well or where we can improve. Please hand your completed sealed survey to a member of staff.

The children will also be completing a survey for their views on the club.

Housekeeping

Fees

You now should have May invoices. These are due to be paid on 1st May.

Please can you make sure these are paid promptly. We are still having some monthly fees, mostly paid by voucher, not getting to us until the end of the month. This makes it difficult to prepare the invoices for the following month and obviously breaches our T & C's agreed by all members.

JB's

If your child will not be attending a booked session at JB's, please email, phone or collect from the club door. We are spending a lot of time making sure children are safe when they have been collected without us knowing.

Email : jbsclub@hotmail.co.uk Phone: 07951311320

Signing out

Please will you write each child on a separate line and make sure your writing is legible. This seems a small thing but really does help us when we are doing our quick "head counts" and at the end of the session.

And finally

If you think of anything that needs more clarification or have any queries, please email. I will get back to you within the day.

With Kindest Regards,

Linda and The team.

We tried to make stress balls,
it was very stressful for Amanda!
