Friday 17th March 2023

Dear Parents and Carers,

Next week is busy with exciting things for the children to take part in and not forgetting those all important Parents' Evenings that we have arranged for you. The staff will have already contacted you regarding a day and time and we are again offering both face to face and telephone consultations.

We only have two weeks left before the end of term, so please make sure you check the diary opposite, so as not to miss anything exciting taking place in school.

Many thanks for your support

Best wishes.

Mrs Gill Finney,
Headteacher.

Autism Acceptance Week

The final week of term we will be celebrating Autism Acceptance Week. The Anti-Bullying Ambassadors, alongside Mrs Clueit and Mrs Weston, have been thinking about this and have prepared an assembly for the whole school on Monday 27th March and the children will be thinking about this in their classrooms over the week too.

Our aim, and that of the ambassadors, is to encourage more understanding, tolerance and acceptance of everyone, within school, our community and world.

On Friday, we are suggesting a non uniform day, asking that the children come into school wearing different colours to show our support.

Merit Winners—Well done Everyone!

Baines Endowed in Bloom!

Spring is here and the grounds are beginning to show wonderful signs of growth and colour. However, we were wondering whether any parents had any plants or planters they would be able to donate to school in order to create an even more colourful environment for us all to work in.

If you know of anywhere who would be willing to donate garden plants and shrubs, garden tools or even garden furniture or a shed, please do let us know, as we are passionate about working hard with the children on this.

Any donations, please do pass on to Mrs Mylecraine or Mrs Gorrie, who will find a wonderful new home for them!
Many thanks for your support.
