Year 6 Careers Week

Dear Parents/Carers,

I am excited to share with you that Year 6 will be taking part in a Careers Week from Tuesday 6th June – Friday 9th June. During the week, we have invited people to come and visit the class and share their profession and experiences with the children. Children will be involved in activities, discussions and will also have the opportunity to ask questions about careers and how individuals reached their potential in their chosen career.

On Wednesday 7th June, Blackpool and the Fylde College (Bispham campus) have invited the class to go and visit their campus and have a tour around the possible future career pathways they teach there. We are kindly asking for a £1 voluntary contribution towards the cost of transport for the visit and this will be available to pay via Parentmail from today.

We are very excited for the week and we are sure that the Year 6 children will gain a lot of wonderful experiences from it.

Thank you for your continued support,

Mrs L Hedges and the Year 6 Team.
