Individual sessions: Earlybirds £4.00   JB's   £8.00

This chart should help you to make sense of the way we work out fees and help you to budget for the year.

Fees are paid only for the days school is in session (190 a year) and not for any terms breaks.

Please note that EYFS children start with us w/b 18.09.23

Payments are due on the 1st/2nd of the month.

With the way school terms are worked out, some months will be more than others.

If you can claim certain benefits, up to 85% of your childcare costs can be claimed back.

If you can't claim, the government has a scheme that saves you 20% of your childcare costs which could save you £456.00 a year if your child attends full time at both clubs

Obviously, a lot of children don't attend every session. Using the calendar of days that we are in school for the year, should help to make things clear for you to work out how much you will pay.

If you need any help or clarification, please email or see me at JB's.umn

Kindest Regards,

Linda.
