25th September 2023

Grandparent's Week

Dear Parent and Carer,

As a school, we want to be able to celebrate Grandparents Day and share the things that we do with the children with older members of the family, so we would like to invite Grandparents into school the week beginning 2nd October 2023.

Last year, we invited all Grandparents in at the same time and as so many arrived, this was more difficult to organise than we anticipated. Therefore, you will receive a message from the class teacher sometime this week to let you know when the time is for Grandparents to visit that particular classroom. The Grandparents should enter through the Office only five minutes before the lesson is due to start and they will be escorted through school to that particular classroom. The school will run as usual, but Grandparents are more than welcome to join their grandchildren in class to take part in a lesson or to watch the class working.

It is important to note here that anyone visiting our school should remember that whatever they see or hear is confidential and should not be discussed out of school with anyone else.

I do hope as many people as possible will be able to join us for a very enjoyable time and I look forward to seeing everyone next week.

Many thanks for your support.

Mrs Gill Finney,

Headteacher.

Headteacher: Mrs G Finney B.Ed (Hons) N.P.Q.H.
