September 2023

Dear Parent/Carer,

School Events and Consent Slips for 2023/24

We always try and listen to you as our parents and when it is appropriate we make changes that reflect the best interests of our children. We will only make changes we feel to be beneficial, which will not adversely affect a child's learning opportunities.

I am aware that there are times when we require numerous permission slips completing, including duplicating medical forms. After some discussion I would like to make some changes to this system.

The system for school events will be as follows:

Rather than completing a form for every school trip, we are requesting that you complete an annual consent form for some of the activities which we organise.

Please note the following important information before signing this form:

The trips and activities covered by this consent will take part during the normal school day and will include:

- Class trips organised to support the curriculum, which will include coach travel.
 - Class trips organised to support the curriculum which will involve walking to visit local amenities.
 - Activities held within the school as part of the school's curriculum during normal hours.
 - Work groups your child may be a member of to provide additional learning support.
 - Your child may be involved in food tasting related to topics being studied within the curriculum.
 - The attached Medical Form for educational visits will be retained for the school year.
- We therefore request you inform school if any changes occur.

The school will of course always inform you of any event or trip, but unless otherwise informed your child will be included. We will as usual make the necessary request for a voluntary contribution towards the cost of our trips and as our trips are heavily subsidised by Friends of Baines, we only ever ask for the minimum contribution. All of our trips support the curriculum, and therefore we would hope that you will be able to support these. Unfortunately if insufficient money is collected towards the cost of any trip, we will have to cancel.

Thank you for your continuing support.

Yours sincerely,
Mrs G Finney,
Headteacher.
