Volunteering in School

Dear Parent and Carer,

As you may be aware, schools are very busy places and the staff are very appreciative of any help they may have over the course of a week.

Therefore, I am writing to ask whether anyone may be interested in volunteering some of their time to work in school. We will try our best to cater to your interests and skill set so that you are comfortable in the role you are given. For example, if you are interested in hearing readers, we can ensure this is what you will do, if you enjoy art, this might be something that can take place whilst you are volunteering to help with the creative skills of the children, if you enjoy working in the garden, you could support an afternoon of Outdoor Learning etc...

Anyone wanting to commit to some time in school however, must be DBS checked and must undertake Safeguarding Training. The DBS check can be completed with the help of Miss Uttley, our School Business Manager, and the Safeguarding Training would be completed by me in school. The date for this training is September 28th at 1.15pm in our school hall.

If this would be of interest to you and you are willing to commit a few hours a week on a regular basis and undergo the Safeguarding Training, then please contact the School Office. They will take your details and discuss with you the age group you would prefer to work with (Please note that volunteers are unable to work in their own child's classroom as we find this to be a distraction for the children).

We look forward to hearing from you soon.

Best wishes.

Gill Finney,
Headteacher.
