Dear Parents/Carers,

WALKING HOME ARRANGEMENTS – KEY STAGE 2

I am always concerned about the safety of all our pupils in school and as Headteacher, I am aware of the fact that some of our Key Stage 2 children walk home by themselves in the evening. This is fine, but as a school we only have a limited record of this for the class teachers or for the office.

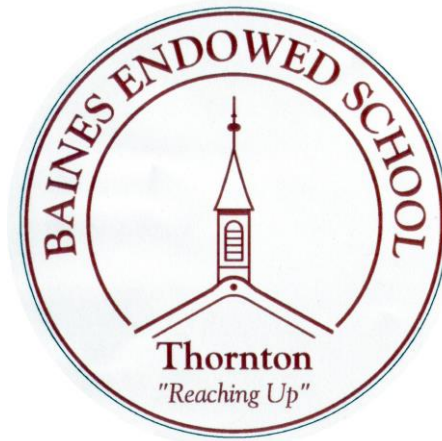

Therefore I would ask that you fill in the pro-forma attached and return this to the office as soon as possible, so that a list can be drawn up of all children with permission to walk home on their own, which can then be made available to the staff. This helps us when an adult appears at the end of the day, asking for a child they had been given instructions to collect. I appreciate that some of you have completed this in previous years, but as you will understand, circumstances and arrangements change for your child as they move up the school. If there are any changes within this school year (especially Year 6, who often change arrangements after Christmas), could you please let us know asap so we can update our records.

As you will be aware I am usually out in the Key stage 2 playground at the end of the day, just to make sure that the children leave the premises safely anyway.

Thank you for your continuing support.

Mrs G Finney,
Headteacher.
